BRIEF SUMMARY

Aspiring software professional with a foundation in Information Technology and a strong focus on problem-solving, data structures and algorithms, and web technologies. Interested in developing reliable, scalable software systems and improving system efficiency through clean design and logical thinking. Seeking an opportunity in a growth-oriented organization where I can apply my technical skills, learn industry best practices, and contribute meaningfully to real-world software solutions while continuously strengthening my core IT and software engineering competencies.

KEY EXPERTISE

C   Java   Python   HTML   CSS   JavaScript   Team Management   ReactJS   SQL
